Non-Compete Agreement

In connection with, and in consideration of, my performance of services for QuickChoice Vending LLC and/or QuickChoice Rentals LLC **(collectively, "QuickChoice")**, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, I, _____, agree to this Non-Compete Agreement **("Agreement")** as set forth below.

1. I understand and acknowledge that the nature of my role and the services I perform for QuickChoice—whether as an employee, independent contractor, consultant, volunteer, or through any other compensated or non-compensated engagement—provide me with access to confidential and proprietary information and place me in a position of trust and confidence with QuickChoice. I further understand and acknowledge that the services QuickChoice provides, as well as its methods, processes, customer relationships, and business operations, are unique and of significant competitive value. Accordingly, I acknowledge that the restrictive covenants contained in this Agreement are reasonable and necessary to protect QuickChoice's legitimate business interests.

2. I acknowledge and agree that the services I perform for QuickChoice are of a special and unique character; that I will obtain knowledge, skills, and insights relevant to QuickChoice's industries (including vending services and rental equipment services), as well as its methods of doing business, through my engagement with QuickChoice—whether as an employee, independent contractor, consultant, volunteer, or through any compensated or non-compensated relationship. I further acknowledge that the restrictive covenants and other terms of this Agreement are reasonable and necessary to protect QuickChoice's legitimate business interests.

3. **Non-Competition** – Because of QuickChoice's legitimate business interests as described in this Agreement and the good and valuable consideration provided to me, during the period in which I perform services for QuickChoice, and for thirty-six (36) consecutive months beginning on the last day of my engagement with QuickChoice—whether such engagement ends voluntarily or involuntarily, and whether terminated by me or by QuickChoice—I agree and covenant not to engage in any Prohibited Activity within Charleston County, Berkeley County, Dorchester County, or Colleton County in the State of South Carolina.

   For purposes of this non-compete clause, **"Prohibited Activity"** means any activity in which I contribute my knowledge or services—directly or indirectly, in whole or in part—as an employee, employer, owner, operator, manager, advisor, consultant, agent, partner, director, stockholder, officer, volunteer, intern, or in any other capacity to any individual or entity engaged in the same or similar business as QuickChoice, including, without limitation, businesses involved in baby and beach equipment rentals or any comparable rental or vending-related services.

4. I acknowledge that QuickChoice's employees, contractors, volunteers, service providers, and customers are of great competitive importance and commercial value to QuickChoice, and that any improper competition or breach of this Agreement by me would cause irreparable harm for

which monetary damages would be inadequate. In the event of a breach or threatened breach, QuickChoice shall be entitled to seek temporary or permanent injunctive relief, or other equitable remedies, from any court of competent jurisdiction without the need to show actual damages and without the requirement to post any bond or security. Such equitable remedies are in addition to any other legal or monetary remedies available to QuickChoice.

5. If I violate any of the restrictive covenant obligations in this Agreement, the applicable restriction period shall be automatically extended and will resume running from the first date on which I cease the violating conduct, ensuring QuickChoice receives the full agreed-upon duration.

6. If I breach any of the restrictive covenant obligations in this Agreement, and to the extent permitted by applicable law, I shall be responsible for all reasonable attorneys' fees and costs incurred by QuickChoice in enforcing this Agreement, including costs associated with proving a breach and pursuing related enforcement efforts.

7. During the period in which I perform services for QuickChoice—whether compensated or non-compensated—I agree not to undertake or assist in any preparations for engaging in any competitive activity prohibited by this Agreement.

8. I represent and warrant that I am not a party to any non-compete, restrictive covenant, or other contractual limitation that would interfere with or hinder my ability to perform services for QuickChoice or comply with the terms of this Agreement.

9. The validity, construction, and enforcement of this Agreement shall be governed by and interpreted in accordance with the laws of the State of South Carolina.

10. Non amendment or modifications of this Agreement shall be valid or effective, unless it is in writing and signed by the parties to this Agreement.

I intend to be legally bound by this Agreement, and I have caused the Agreement to be duly executed as of the date written below.

I hereby acknowledge that I have reviewed and understand the above information.
